### **Bodacious Shops Celebrates 10 Years in Business**

**Pensacola, FL** – Bodacious Shops will celebrate its tenth anniversary in Downtown Pensacola on May 7, 2022, with a full day of free chef demonstrations, product samples, discounts, giveaways, and more from 10:00 A.M. to 3:00 P.M.

Bodacious will feature giveaways throughout the day from local restaurant and product partners, discounts on local goods from Geneva Collection, Phil's Sauces, and East Hill Honey, free samples of Bodacious champagne, charcuterie, bread dipping, and Rishy Studer's favorite salad dressing in honor of its ten-year anniversary.

There will be a donation raffle occurring during the event. All proceeds will benefit The Studer Community Institute.

The Bodacious Olive opened on May 8, 2012, as a gourmet olive oil and vinegar shop. The olive shop has since grown to include a café, kitchenry shop, events kitchen, and coffee roasting room, all under the same roof. The Bodacious Olive underwent a rebranding in 2019 in which the collection of shops came to be known simply as Bodacious Shops.

Over the past 10 years, Bodacious Shops has become one of Downtown Pensacola's premier stops to dine, gather, and learn.

Bodacious Shops is located at 407 S. Palafox St. in Downtown Pensacola, Florida.

Bodacious Shops is a collection of distinct shops—a café, an olive oil shop, a coffee roastery, and a kitchen wares store equipped with a chef's kitchen for events and classes—on the corner of Palafox and Main Street in Downtown Pensacola. Our mission is to improve the quality of life for the people in the communities that we serve.
