About OWA Parks & Resort: Award-winning OWA Parks & Resort in Coastal Alabama is owned and operated by the Poarch Band of Creek Indians. OWA's name is derived from a Creek word for "big water," and the tropical theme of the 520-acre property was inspired by the Gulf of Mexico, minutes away via the Foley Beach Express.

At the heart of OWA is Tropic Falls, which includes a 23-ride theme park, outdoor wave pool and the region's largest indoor water park—bigger than a football field and covered by a convertible roof. Just outside the ticketed areas is Downtown OWA. This pedestrian-only streetscape was inspired by Southern small towns and features numerous options for dining, shopping, and entertainment.

The destination resort offers a full calendar of events, from Downtown OWA's own Mardi Gras Parade to the annual Christmas tree lighting with fireworks and snowfall. With its own award-winning TownePlace Suites by Marriott, OWA is the place in Coastal Alabama to thrill, then chill.
