MEDICAL CENTER CLINIC WELCOMES KATRINA GAROFANO, PA-C

PENSACOLA, FL, October 31, 2022: Medical Center Clinic is pleased to announce the addition of Katrina Garofano, PA-C, to the Ear, Nose, & Throat department.

Katrina has more than six years of experience in the health care industry. She graduated from Auburn University with a Bachelor of Nutrition Science from Auburn and earned a Master of Science in Physician Assistant Studies at the University of South Alabama. During her clinical rotations, she gained extensive patient-care experience while working in a variety of departments including family practice, pediatrics, and dermatology.

Katrina will work under the direct supervision of board-certified providers Adam Holdt, M.D. and Derek Jones, M.D. as a part of the Ear, Nose, & Throat department at Medical Center Clinic. ENT specializes in the diagnosis and medical and surgical management of diseases of the ear, throat, head and neck. Department members have extensive experience in head and neck oncology, pediatric otology, neurotology, and endoscopic sinus surgery. In addition, the physicians perform facial plastic surgery of facial defects and skin cancer and reconstruction after maxillofacial trauma, as well as cosmetic facial surgery.

"The Ear, Nose, & Throat Department is excited to welcome Katrina Garofano, PA-C, to our team, and pleased to be able to further care in the community of Pensacola with such a highly qualified advanced practice provider," said Melissa Carroll, Practice Management.

For more information about the services The Ear, Nose, & Throat Department provides, please call 850.474.8320 or visit MedicalCenterClinic.com.
