

**ALPHA SUPPLY**  
ALWAYS WORKING

# CAPABILITIES

## ABOUT US

Alpha Supply is the best source for the quality construction products, welding supplies, tools, safety items, and industrial consumables your job requires. Alpha Supply is driven by a single promise - keeping our customers "Always Working." Our customer-centric approach to business is designed to increase jobsite productivity. We strongly believe that maintaining a collaborative relationship with our customers creates an environment that breeds success. Every member of our team is an extension of your business and is committed to personal, professional, and operational excellence.

## *"ON SITE, ON TIME, EVERY TIME"*

### DIFFERENTIATORS

**Communication** - Alpha is committed to continuous communication. We take great pride in being available to our customers when they need us.

**Collaboration** - Alpha is more than a supplier. We work with our customer teammates to ensure we understand your business and how we can keep your jobsite "Always Working."

**Product Assortment** - Keeping a sharp eye on the industries we serve, Alpha has developed a product offering that caters to our core customers.

**Product Availability** - Alpha works hard to understand each customer's needs and usage. Keeping a finger on the pulse of not only our business, but your business as well, allows us to make sure we have what you need, when you need it.

**Technical Expertise** - Alpha works closely with our vendors and industry professionals to understand the products we sell. This allows us to assist our customers with product selection that complies with your job requirements.
