Do you want your teen off the couch, away from Netflix, and earning service hours this summer? Volunteer at Pensacola State Kids College with Chain Reaction!

Pensacola State Kids College is a unique summer opportunity for high school students to stay busy, make an impact on the community, and focus on leadership development. Teens can spend the week working with children by serving as Junior Counselors and mentors. Teens also participate in Chain Reaction curriculum and build professional and leadership skills while earning service hours. This opportunity is available for all rising 9<sup>th</sup> – 12<sup>th</sup> graders in the Pensacola area!

Teens can volunteer at Kids College Monday through Friday from June 5<sup>th</sup> to July 28<sup>th</sup>, 2023. For more information, please email [info@mychainreaction.org](mailto:info@mychainreaction.org).
