## Medical Center Clinic Welcomes Sarah Skechak, APRN-C to Primary Care

**PENSACOLA, Fla. — May 29, 2023** — Medical Center Clinic is pleased to announce the arrival of a new primary care provider to our team. Sarah Skechak, APRN-C, is now accepting new patients at Primary Care at Medical Center Clinic and will provide comprehensive medical care.

Sarah is a nationally certified nurse practitioner (APRN-C) through the American Academy of Nurse Practitioners National Certification Board and the Florida Board of Nursing. She earned a master's of science in nursing from the University of South Alabama in Mobile, Alabama. She previously graduated with honors and earned a bachelor of science in nursing at University of South Alabama. Sarah brings with her over three years of experience in primary care as a nurse practitioner and over ten years of experience as a registered nurse in numerous fields including medical surgical care, orthopaedics, post-operative care, occupational health, and urgent care.

Primary Care at Medical Center Clinic provides a wide range of services and testing to help you maintain your health and well-being. Whether you need routine checkups, diagnostic testing, or treatment for an illness or injury, our experienced team is here to help. Our services include comprehensive physical exams, preventative screenings, vaccinations, and chronic disease management. We also offer testing for COVID-19, blood pressure, cholesterol, diabetes, and more. Our caring and compassionate staff will take the time to listen to your concerns and work with you to develop a personalized treatment plan that meets your needs.

"Sarah is an exceptional nurse practitioner who brings a wealth of knowledge and expertise to Primary Care at Medical Center Clinic," said Melissa Carroll, practice management. "We are thrilled to have her join our team and look forward to working with her to provide high-quality, patient-centered care for our community."

Medical Center Clinic is proud to celebrate its 85th anniversary of providing compassionate care to patients. Medical Center Clinic was founded in 1938 by a group of six physicians and has since grown to become a trusted provider of medical treatment to the community. Over the past 85 years, Medical Center Clinic has established itself as an eminent healthcare provider, offering a broad range of specialized services and treatments. Our team of highly skilled and experienced physicians, advanced practice clinicians, nurses, and support staff work together to provide the highest quality of care to patients.
