Partnership Announces Plans for New Warrington Preparatory Academy

Pensacola, FL - We are pleased to announce that Escambia County Public Schools has joined with Renaissance Charter Schools, Inc. and Charter Schools USA to take over operations and management of Warrington Middle School, as it transitions to a public charter school.

The school's new name is Warrington Preparatory Academy and it will focus on workforce and college readiness.

ECPS is working together with Charter Schools USA to make the transition for families as easy as possible. All students zoned to Warrington Middle School will automatically be accepted at Warrington Preparatory Academy. Charter Schools USA will hold multiple enrollment sessions at the school and at locations throughout the community to make it easier for parents to enroll their children. Parents will receive updates from School Messenger and the website (<https://wms-ecsd-fl.schoolloop.com/>) with dates, times and locations.

Warrington Preparatory Academy students will wear uniforms, which will be provided to all families from Charter Schools USA. Additionally, ECPS will continue to provide transportation for zoned students not residing in the school's walk zone. Charter Schools USA will have a new vendor for meal service and will provide free and reduced lunches for all who qualify.

Charter Schools USA will hold a job fair on June 8 from 11 am to 7 pm at Residence Inn by Marriott – 6000 Cobble Creek Road in Pensacola. The organizers have asked that all who apply bring their resume and any certifications they've earned.

We are excited to work in partnership with Warrington Preparatory Academy by providing a positive educational experience for our students, teachers, and parents in the Warrington Community.

**United for every
student to succeed**
