A PROGRAM OF THE GREATER PENSACOLA CHAMBER

Leadership Pensacola Class Project Request for Proposals

PENSACOLA, Fla. – June 1, 2023 – Does your organization have a need we can fulfill? The Leadership Pensacola (LeaP) Class of 2024 is looking for worthy proposals for its 2024 class project.

LeaP, a premier program of the Greater Pensacola Chamber Foundation, aims to develop community-minded leaders during its 10-month-long program. LeaP is designed to help participants acquire an understanding of the issues facing the Pensacola area and to gain the leadership skills necessary to effectively address them. Class members come from a crosssection of the community and include men and women from different political, career, educational, social, and cultural backgrounds.

The community give-back project is a key part of the LeaP curriculum. In order to maximize our program's impact on our community and offer the best possible contribution, the class will evaluate the ideas and areas of need from local organizations.

The LeaP program is issuing this Request for Proposals (RFP) for community give-back projects to be executed by the class. Interested organizations are asked to submit an application to the Chamber by June 30th. If selected as a finalist, each finalist will be notified to present their proposed projects to this year's LeaP Class in greater detail. The class members will then vote to choose the project(s) to implement.

To view or download the RFP and application form, visit the Chamber website at <https://www.pensacolachamber.com/community-give-back-projects/>. Please also review the Community Give-Back Project Purpose and Guidelines document prior to applying to see how LeaP may serve your organization.

Proposals should be submitted through the Chamber webpage by 5:00 PM on Thursday, June 30th. If you have any questions regarding the 2024 Community Give Back Project, please contact Quinn Breaux at leap@pensacolachamber.com. We look forward to hearing from you.

Sincerely,

Todd Thomson
