MEDICAL CENTER CLINIC WELCOMES JENNA BRADLEY, AU.D., TO THE HEARING CENTER

PENSACOLA, FL, June 1, 2023 : Medical Center Clinic would like to welcome Jenna Bradley, Au.D., to The Hearing Center at Medical Center Clinic.

After completing her Bachelor of Science degree in communication sciences and disorders from Idaho State University in Pocatello, Idaho, Dr. Bradley pursued further education and achieved her Doctorate of Audiology from San Diego State University in San Diego, California. Since May 2022, she has been actively gaining valuable experience as an audiology student clinician and doctoral extern at The Hearing Center located within the Medical Center Clinic. Dr. Bradley possesses extensive skills in various aspects of audiology and is well-versed in the fitting of hearing aids.

The Hearing Center at Medical Center Clinic specializes in the diagnosis, management, and treatment of hearing loss disorders. The Hearing Center's board-certified audiologists have extensive experience in the treatment of conditions, such as ear infections, hearing loss, tinnitus, and balance. The audiologists collaborate closely with various specialists at Medical Center Clinic, ensuring seamless coordination and integrated care when needed. This includes departments such as Allergy, Asthma, & Immunology; Ear, Nose, & Throat; Physical Therapy; Imaging; Internal Medicine; Neurology; and the Sleep Diagnostic Center.

"We are thrilled to have Dr. Bradley join The Hearing Center at Medical Center Clinic," said Melissa Carroll, Practice Management at Medical Center Clinic. "Her expertise and compassionate approach to patient care align perfectly with our commitment to providing the highest level of care to individuals seeking hearing healthcare solutions. With Dr. Bradley on board, we are confident that our patients will receive the compassionate care they deserve."
