

Thank you for your continued support of our organization. Communities are transformed through our efforts to build affordable homes, preserve homeownership, revitalize neighborhoods, and provide housing counseling. Our volunteers and loyal community supporters like you help carry our mission forward.

Northeast Pensacola Sertoma Club has chosen to partner with Pensacola Habitat for Humanity, along with Gulf Coast Kid's House, and Escambia County Public Schools Foundation for their 9th Annual Pensacola Dragon Boat Festival.

Through these partnerships, Sertoma clubs can return the raised funds to their respective communities, like ours. I encourage you to consider signing up with a team or sponsoring the Dragon Boat Festival, which takes place on

Saturday, September 30, 2023
at Bayview Park in Pensacola.

A day of dragon boat racing, festivities, and food vendors will attract over 7,500 spectators to this event. There are a variety of sponsorship levels available.

This team-building event will be boatloads of fun for your employees, along with high visibility for your company. To learn more or reserve your spot, please contact Blaise Moehl at (850) 434-5456 x118, bmoehl@pensacolahabitat.org.

We look forward to seeing you there!
