

New Baptist Hospital Campus Update September 2023

Construction is complete, and we are moving in! After years of planning, our new Baptist Hospital is scheduled to open later this month, and we couldn't be more excited to offer our region the highest level of health care services in a brand-new environment built for comfort and healing. See the planned timetable below for our upcoming move.

Emergency Department Services

Saturday, Sept. 23 at 3 a.m.

- Baptist Hospital ER at E Street closes.
- Baptist Hospital ER at Brent Lane opens.

Hospital Patient Move

Saturday, Sept. 23 at 5 a.m.

- Patients will be safely transported throughout the day from the E Street hospital to the new campus at Brent Lane.
- The move is expected to conclude by 5 p.m. the same day.

Bear Family Foundation Health Center

Most services and physician offices located in the Baptist Towers on Avery Street will move to the Bear Family Foundation Health Center on the new campus.

- Friday, Sept. 22 – Last day of services provided at Baptist Towers.
- Monday, Sept. 25 – Offices and services at Bear Health Center will be closed.
- Tuesday, Sept. 26 – Offices and services at Bear Health Center will open.

Baptist Hospital will offer its full range of care services. Offices and services located at the Bear Health Center include:

Andrews Institute for Orthopaedics & Sports Medicine

- Orthopaedic trauma
- Physical medicine and rehabilitation

Baptist Cancer Institute

Baptist Heart & Vascular Institute

Baptist Medical Group

- Endocrinology
- ENT
- Gastroenterology
