CivicCon and Pensacola Young Professionals Unveil 2023 Escambia County Quality of Life Survey
Results

FOR IMMEDIATE RELEASE-----
--

CivicCon, in collaboration with the Pensacola Young Professionals, is excited to invite the public to the unveiling of the 2023 Escambia County Quality of Life Survey results. The event will take place on Tuesday, October 17, from 6:00 - 7:30 p.m. at the historic REX Theatre in downtown Pensacola.

Funded by Quint and Rishy Studer since 2008, the Escambia County Quality of Life Survey has been a critical tool for identifying community concerns. The survey is independently conducted by Mason-Dixon Polling & Strategy and covers multiple aspects of our community's well-being, including but not limited to:

- Safety/crime
- Economic opportunities
- Education
- Access to parks/green spaces
- Quality of government and community leadership
- Race relations

The data provides a unique opportunity to reflect on essential questions facing Pensacola and Escambia County. Are we on the right track? If not, how can we use this data to create a better future for everyone?

This event is free and open to the public. Guests can register at the following link: <https://QualityofLife2023.eventbrite.com>
