Starting Friday, October 13, 2023, and continuing every Friday and Saturday night for the last three weeks of October, as well as on Halloween Night, Tuesday, October 31st, the *Hadji Haunted House* will open its eerie doors, offering attendees a "frighteningly fun experience."

The Haunted House event, co-hosted by the *Pensacola Breast Cancer Association*, serves as a vital fundraiser to support local healthcare organizations such as Baptist Hospital and Community Health Northwest Florida, a Pensacola non-profit clinic. These contributions enable individuals in the community to access affordable early screening and diagnosis options. To date, over 4,000 mammograms have been provided without financial burden thanks to charitable donations made over the past 13 years.

PBCA Vice President, Barbara Dean, expressed her excitement, saying, "The haunted house has always been one of the most popular fundraisers that we hold for the public because it's so much fun! The organization is so grateful for the continued support from the community, volunteers, and business sponsorships, like All My Sons Moving & Storage and Vannoy's Tires, that make the event possible."

All My Sons Moving & Storage of Pensacola, a local branch of the nationally recognized moving company, has been a steadfast sponsor of PBCA and the Hadji Haunted House for several years.

The event organizers are currently seeking volunteers for the "Boo Crew" and talented face painting/makeup artists. If you're interested in participating or need more information, please visit [HadjiHauntedHouse.com](https://www.hadjihauntedhouse.com).
