About the Florida APEX Accelerator

The Florida APEX Accelerator (formerly the Florida Procurement Technical Assistance Center) is part of a national network of APEX Accelerators working to help businesses compete successfully in the government marketplace. The Florida APEX Accelerator is powered statewide by the University of West Florida and funded in part by the State of Florida and local partners. This APEX Accelerator is funded in part through a cooperative agreement with the Department of Defense. In 2022, the Florida APEX Accelerator network served 1,387 new clients, resulting in businesses creating and retaining 25,919 jobs and helping businesses secure \$246 million in government contracts.
