- IV. Presentation: Crista Brandt, "Nurturing Hearts and Fostering Hope", Valerie's House is more than just a place for healing. Children experiencing grief need to feel connected to others who understand their struggles and can relate to their unique challenges. Most children don't have others in their immediate circle who have suffered the loss of a parent, sibling or close family member. Valerie's House provides a vital support network. "We serve the entire family." Said Brandt.

Next meeting: May 22, 2024

Breakfast Host:

Presentation: Pregnant Workers' Fairness Act – Join Jennifer Richardson and Erick Drlicka from Emmanuel Sheppard & Condon as they take a deep dive into new laws such as the Pregnant Workers Fairness Act and the Providing Urgent Maternal Protections for Nursing Mothers Act(PUMP ACT). These new laws took effect in 2023 and have practical impact on how you address leave and accommodation for your employees. We will go through hypotheticals and develop a comfort level with the required analysis under both the PWFA and the PUMP Act.
