

Registered nurses

Need help understanding advice from your doctor, getting a health assessment, or taking charge of your health? Schedule an appointment to speak with a knowledgeable and caring Florida Blue Center registered nurse.*

We can help with:

- Diabetes prevention and management
- Health coaching
- Personal health assessments
- Biometrics
- Case management referrals
- Physician appointment scheduling
- Disease prevention education and management

Community specialists

Our community specialists are social workers who can help you connect with resources in your community, find ways to save money on your care, and so much more.

We can help with:

- Community support resources
- Government programs
- Life planning/advance directives
- Financial assistance programs
- Medication savings programs
- Mental health care referrals
- Education on mental well-being and resilience

Health solutions at the Center

Imagine a place where good health and good times go hand in hand.

We invite you to join in:

- Community events
- Health fairs
- Fitness classes
- Wellness programs

Answers happen here

Trusted resource

At your Florida Blue Center, we have licensed sales agents who can help with a wide range of health care needs. Maybe you're shopping for a health, dental, or ancillary plan.** Or perhaps you'd like to renew or make changes to your existing plan, enroll in Medicare, or see if you qualify for financial assistance from the Affordable Care Act (ACA). Look to your Florida Blue Center for answers!
