

WARREN AVERETT NAMED ONE OF ACCOUNTING TODAY'S 2024 BEST FIRMS FOR TECHNOLOGY

Birmingham, AL. (May 13, 2024) — [Warren Averett CPAs and Advisors](#) was named one of Accounting Today's 2024 Best Firms for Technology. Accounting firms on the 2024 list use deliberate and intentional AI efforts, advancements in technology infrastructure and a comprehensive and solution-focused view of the ever-evolving technology landscape.

Accounting Today is the leading information resource for public accountants, providing actionable and insightful content on a variety of subjects, including tax law, accounting standards, technology, audit and assurance and wealth management. To compile the 2024 list of Best Firms for Technology, Accounting Today surveyed accounting firms to learn about their approaches to technology, artificial intelligence (AI) and more.

"It's truly an honor to be recognized by Accounting Today," said [Chris Morrow](#), the firm's Chief Information Officer. "Our firm is dedicated to promoting a culture of innovation and embracing new technology. But more than anything else, this is a testament to the diligent work and entrepreneurial spirit of our IT Team Members. I'm happy to share this recognition with them."

Warren Averett's Information Technology Team is at the heart of turning the firm's technology approach into a reality. This group of experts maintains extensive and in-depth knowledge in niche areas specific to the firm, while also prioritizing a relentless focus on quality and efficiency, promoting a technology culture grounded in a genuine desire to embrace the latest technology and furthering its advantages.

Warren Averett has worked for years to establish a firmwide culture of innovation that fosters curiosity, encourages the adoption of new technology and limits corporate red tape. The firm previously earned this recognition in 2019 for a custom and secure client portal.
