

Digital Audio & Video Use

Digital audio and video streaming services provide an extensive array of content, including audiobooks, music, movies, TV shows, and educational videos. These services are particularly beneficial for senior citizens, offering entertainment, education, and a means to stay connected with current media trends. This class will discuss the most popular applications on the market.

Tuesday, July 16th | 10:00 a.m. - 11:30 a.m.

Florida Blue Center - Pensacola

1680 Airport Blvd, Pensacola, FL 32504
