

CONNECTING BUSINESS WITH THE GREATER COMMUNITY

MEMBER NEWSLETTER

Tuesday January 21, 2020

Greetings!

For most of us, each New Year brings a time of reflection, new hope, and goal setting. The same applies to the Chamber, and no doubt, most of our members as well. Whether your resolution is professional development for your team, increasing your marketing reach, expanding your business, or making new connections, we're here to support you and advocate for you. The Chamber Board of Directors is reflecting on who we are, how better to serve you and goal setting for the New Year.

Looking back, The Chamber has had a great year in 2019—in many ways, due to the support of our members. We continued to offer numerous networking events, expanding our program offerings, added new educational opportunities, and advocated for important projects and business opportunities for you and our community. We added over 40 new members and increased our retention rates for 2019.

Planning has begun for 2020 and are very excited about many new member offerings such as providing Group Health Insurance through the Illinois Chamber of Commerce, providing vital information regarding new laws pertaining to your business, i.e. Mandatory sexual harassment training for all employees, The minimum wage increase and new DOL Overtime Rules For Employers. 2020 also brings collaboration with civic partners in regards to the Village Streetscape, and the MAC's Frida Kahlo exhibit.

The Chamber is your resource and your advocate. Thank you for your membership.

Dawn Smith Glen Ellyn Chamber Executive Director

Village of Glen Ellyn

Village Board Postpones Decision on Civic Center Parking Garage and Pedestrian Access to Main Street

On Monday, January 13, the Village Board voted to postpone the decision on the proposed fourstory Civic Center public parking garage and pedestrian access to Main Street. The Board is expected to make a final determination on the project at the next regularly scheduled Village Board meeting on January 27 at 7 p.m.

Previously, the Village's Plan Commission held a public hearing in December and voted 5-1 to recommend approval of this project to the Village Board.

About the Proposed Project

The proposed project includes a four-story public parking garage and other associated public improvements for the properties located at 535 Duane Street and 423 N. Main Street, more commonly known as the Glen Ellyn Civic Center and the Shonkwiler Building, respectively. Part of

this proposal includes the demolition of the Shonkwiler building and the residential building to its rear. In the place of this building, a public space to serve as a connection point from Main Street to the public parking garage is proposed.

The proposed public parking garage will contain 277 parking stalls, and an additional 10 parking stalls to the west of the driveway off of Duane Street. A total net gain of 212 additional parking stalls will serve commuters, businesses, residents, visitors and Civic Center employees.

Additional Information

Plans and documents are available for public viewing at the Community Development Department at the Civic Center during normal office hours. Any questions or comments should be directed to Planner, Katie Ashbaugh at <u>kashbaugh@glenellyn.org</u>.

The full Village Board agenda packet, which includes plans and documents related to this project, are available for public view on the Village's <u>website</u>. The agenda packet for the Village Board Meeting on January 27 will be posted to the Village's website by Friday, January 24.

The project website offers additional information on the proposed project, can be found here.

Innovation DuPage's upcoming Owner-to-CEO program is starting on March 17.

If you know of any small businesses that are looking to **grow their customer base**, **improve operations** or **break into a new market**, please refer them to <u>id@innovationdupage.org</u>. We are looking for companies that have been at least 2 years in business, have at least 2 employees (including owners) and have done at least \$200,000 in revenue in the last fiscal year.
