

UNEMPLOYMENT INSURANCE

We are currently awaiting Federal legislation that will impact, among other areas, unemployment insurance coverage. In the meantime, the Illinois Department of Employment Security (the state agency that oversees this program) has recently adopted some emergency rules to address many of the issues that are being raised by the Covid-19 virus. Here is the link to the IDES page that is devoted to Covid-19 issues: <https://www2.illinois.gov/ides/Pages/COVID-19-and-Unemployment-Benefits.aspx>. If, after reviewing this information, you have further questions, please email or call me.

As soon as the Federal legislation is passed and signed into law – presumably sometime today - I will get back to you on how this legislation may alter the unemployment insurance landscape.

Of course, if you have any questions, please email me or call my office - 312-857-0100 - or my cell - 312-391-0100.
