Attention: Deneen Everett, Executive Director

Dear ~~Deneen~~, *Deneen*

**RE: City of Yellowknife Budget 2021**

Thank you to you and your Board for taking the time to review the City's Budget 2021 Draft Document and provide us with your comments.

Budget 2021 weaves together plans for maintaining core services at the level that the residents and businesses in Yellowknife need and expect, plans for achieving progress towards the overarching Goals and Objectives that Council has established, and plans for making the right investments for continued sustainability. As Council embarks on the deliberation phase of the budget process, they will be seeking to balance not just revenues and expenditures, but also to balance the objectives inherent in these plans, and to balance both the shared and competing priorities within the community.

Well thought-out input such as yours will help inform Council as they apply the political lens to achieve these balances. We look forward to discussing these and other considerations around the draft Budget with Chamber representatives on Tuesday November 24<sup>th</sup>.

Sincerely,

Sheila Bassi-Kellett,  
Senior Administrative Officer
