WE ADVOCATE

WE'VE BEEN THE VOICE OF BUSINESS IN YELLOWKNIFE SINCE 1946!

ADVOCACY AT WORK

At the onset of the COVID-19 pandemic we quickly established the **Business Resilience Working Group**, with the goal of supporting businesses through the COVID-19 pandemic.

- We made 2 federal, 7 territorial and 7 municipal policy recommendations
- Our recommendations received 11 letters of support from across the North
- We supported 5 initiatives led by partner organizations, including the NWT & NU Chamber of Mines, NWT & NU Construction Association, and the NWT Chamber of Commerce
- Almost all our recommendations were actioned, resulting in a number of policy wins for the Yellowknife business community

Other policy and advocacy work included:

- Business Advisory Council
- City of Yellowknife Community Plan & Zoning Bylaw Review
- City of Yellowknife 2021 Budget
- And much more!

Our membership with these organizations raises our profile and increases the opportunities we have to network, collaborate, offer new programs and foster business development, while increasing the visibility of our members on a broader and diverse scale.

#SHOPYK PASSPORT PROGRAM

We've partnered with the City of Yellowknife to promote local businesses and to encourage residents to shop local.

During the **#ShopYK passport campaign**, for every \$20 spent at participating businesses, shoppers receive a stamp on their passport. Once 30 stamps have been collected, completed passports are entered into a draw for cash prizes.

The campaign runs from mid-October to early-December.

#SHOPYK HOLIDAY DRINK CONTEST

The **#ShopYK Holiday Drink Contest** encourages restaurants, bars and coffee shops to put their creativity to the test and create a holiday drink specifically for this campaign.

Consumers are encouraged to vote for their favorite holiday drinks and share their experience on social media using #ShopYK for a chance to win gift cards to their favorite participating business.

The business with the most votes for their holiday drink will be awarded 'Best Holiday Drink in Yellowknife'.

BE A TOURIST IN YOUR OWN TOWN

This campaign incentivizes consumer shopping and specifically targets businesses in the tourism, hospitality and retail sectors.

Businesses confirm what type of consumer spending they'd like to incentivize and the incentives will be compiled into a "coupon book". When consumers make an eligible purchase, the coupon will be entered into a draw to win prizes.

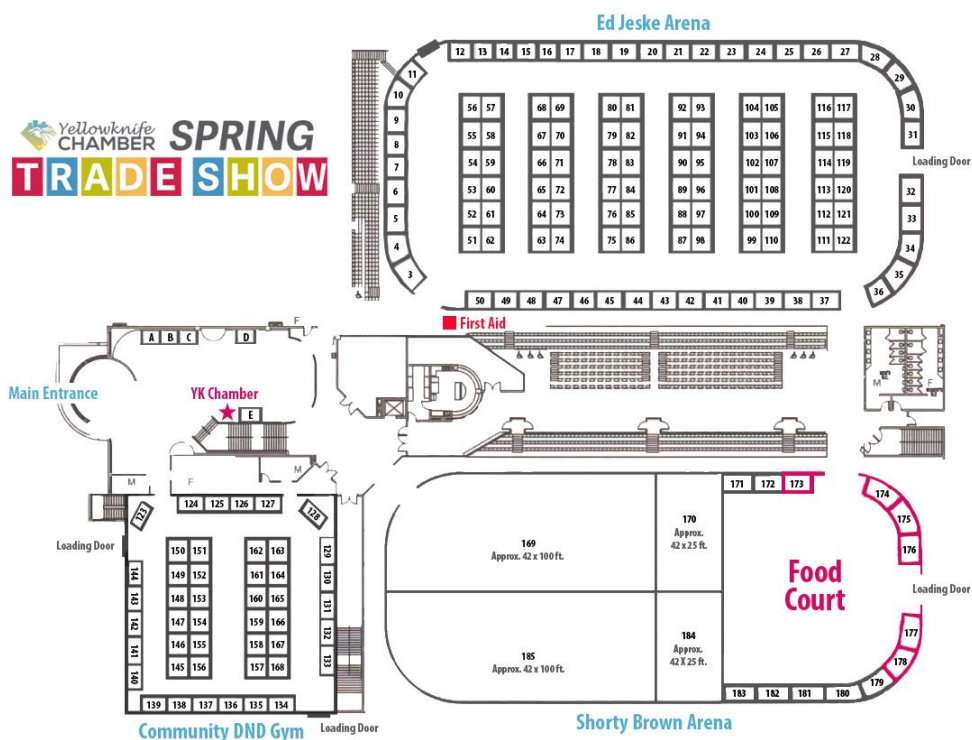

The campaign will run from April 6, 2021 to May 9, 2021.

This campaign is supported by the Government of the Northwest Territories, Department of Industry, Tourism and Investment.
