

Tyler Conaway is a Senior Manager at PayPal within Global Enterprise Risk Management. Tyler's professional focus lies in financial, credit, and fraud risk management where he has worked for over 16 years. Tyler is also a leader within the business community championing Diversity, Equity, and Inclusion. Tyler's accomplishments include building and leading PayPal Pride, an Employee Resource Group which serves PayPal's LGBT+ employees around the world. Tyler's passion for inclusivity and seeing opportunity for all to thrive is reflected in his leadership within both the business community and the City of Chandler. Tyler is a co-chair of the Chamber's Diversity, Equity, and Inclusion committee and also serves as a City Commissioner with the City of Chandler's Human Relations Commission.
