APRIL 2021

## Hear about the 'State of Industry' from local leaders

On Tuesday, April 27, the Texas City-La Marque Chamber will host the "State of Industry" business luncheon featuring updates from leaders of several local industrial plants. The luncheon will be held at the Doyle Convention Center from 11:30 a.m. to 1 p.m.

This community has been a strategic partner to the petrochemical industry since the early 20th century. It is home to the third largest concentration of crude-based refining manufacturers in the United States and the No. 15 largest port in the nation. There are more than 4,000 manufacturing and petrochemical jobs in Texas City-La Marque. The city and community proudly support the local industries in their endurance and expansion.

This event will feature six speakers on a variety of industrial topics:

CASA of Galveston County is a non-profit organization that provides trained, court-appointed volunteers to serve as advocates for children who have experienced abuse and/or neglect and have been removed from their home.

CASA volunteers support for children and families involved in the child welfare system and work to ensure a child's best interest is being met in a variety of ways. Some examples include identifying and addressing risks to the child's safety and well-being, ensuring appropriate physical and mental health assessments are completed and verifying educational assessments are completed and supports are in place. CASA volunteers stay by a child's side throughout the duration of a case, advocating first for

reunification when safe and possible.

CASA of Galveston County has been in existence for more than 25 years, initially formed by the Resource and Crisis Center of Galveston. The organization serves children in all of Galveston County. CASA recruits volunteers from all around the mainland, including the Texas City-La Marque community.

CASA's main focus is volunteer recruitment. There is an urgent need. The goal is to provide a CASA to every child who needs one. They need 60-70 more volunteers to make the goal a reality. If you or someone you know is interested in learning more about becoming a CASA, please go to [casagalveston.org/volunteer](http://casagalveston.org/volunteer) or contact Erin Cohen at [erin@casagalveston.org](mailto:erin@casagalveston.org) for more information.

# LEADERSHIP MAINLAND

## A NEW YEAR BEGINS

The 2021 class of Leadership Mainland recently had a “reboot” with 25 members who are seizing the opportunity to change themselves and our region for the better. These members originally came together in early 2020, but, due to the pandemic, the program was put on “pause” until it was relaunched a few weeks ago.

Leadership Mainland is a key program the chamber offers each year to inform and prepare participants for leadership positions through learning experiences and

an expanded knowledge of community resources and issues.

This year’s first session was a Team-Building Retreat held at TopGolf at the end of February. Facilitator Kent Hutchison led the group to complete a few mentally challenging activities. The challenges brought out leadership skills and traits that some participants didn’t know they possessed. They discovered new ways to work effectively in groups and on their own.

The group’s next session will focus on State Government and will be hosted at Sea Star Base Galveston with presentations by Senator Larry Taylor and State Rep. Mayes Middleton.

Leadership Mainland will hold sessions for the rest of the year and “graduate” in December. Class leaders for this year include Sloane Witter from the City of La Marque and James Finchum from Ashland. For more information, visit [www.TCLMchamber.com/leadership](http://www.TCLMchamber.com/leadership).

# CONGRATULATIONS TO THESE AWARD WINNERS!

At the Chamber's annual Membership Banquet on March 25, several prestigious awards were presented. The Master of Ceremonies Mark Ciavaglia and outgoing Chairman of the Board Rusty Plackemeier were joined on stage by several outstanding businesses and individuals from the community.

Incoming 2021 Board Chair Georgia Meyer Barzilay was presented with the gavel by Plackemeier to lead this year. New Chamber President Page Michel gave a special welcome and led the crowd in an invocation before the dinner. The highlight of the evening was the presentation of the following awards:

The Legend Award was presented to Jenny Senter. In its 52-year history, the Texas City-La Marque Chamber has only recognized two other Legend Award winners: Jimmy Hayley and Ron Plackemeier. The third to join the rare group of honored individuals was Jenny Senter, who spent 30 years with the chamber — the last four as its President/CEO. She retired in December, 2020.

The 2020 Jimmy Hayley Community Service Award was presented to Former Mayor Bobby Hocking, a community leader widely regarded for his compassion, service and variety of community activities. Hocking was selected to receive this honor for his leadership and service to the City of La Marque, and the entire Mainland region over the past 10 years. The award was presented virtually and a humorous acceptance speech by Hocking was shown to the audience. On stage, the award was accepted by current Mayor of the City of La Marque Keith Bell and a proud City team!

The 2020 Small Business of the Year Award was presented to South Land Title. This honor recognizes and celebrates the company's growth in Texas City and beyond, for providing excellent jobs and keeping everyone employed during the pandemic crisis and for supporting many charitable causes in the community. Congrats to Patrick Doyle, Carolyn Sunseri, Shannon Doyle Osborn and the whole SLT team!

The Rising Star Award was given to KHEA Radio/Clear Life Media's Gardy Garcia and Curt Casper. During the pandemic while so many small businesses were forced to close and hurting, this team went above and beyond with their talent and resources to provide exposure and boost local businesses.

The Chairman's Award was given by outgoing 2020 Chairman Rusty Plackemeier to Kirk Broiles, a past Chairman of the Chamber Board and long-time active volunteer. Plackemeier said Broiles was selected for this honor for his above-and-beyond service throughout the year.

The 2020 Large Business of the Year Award was presented to UTMB Health. The award symbolizes the community's appreciation for all their employees being on the front line of the pandemic, for UTMB being a trusted resource to everyone in the community during the crisis and for leadership excellence at all levels. Dr. Matthew Hay and Christine Wade, RN MSN, ED accepted the award at the chamber banquet.

The Outstanding Citizen of the Year Award was presented to Dr. Warren Nichols for outstanding accomplishments with construction of new state-of-the-art facilities for College of the Mainland. The award recognizes Dr. Nichols' vision and dedication to overseeing contractors, architects and engineers to achieve the highest-quality construction safely, on time, and under budget. At the same time, he has led the college through the unprecedented COVID-19 crisis. Throughout 2020, Dr. Nichols used tremendous leadership skills to manage the logistics, technology and social challenges caused by the pandemic.

The Shining Star Award was given to volunteer Dom Orozco, a co-chair of the Golden Division. Dom spent countless hours in 2020 assisting the chamber with projects and events, despite the difficult conditions presented by the COVID-19 pandemic.
