## JULY 2020

### MUSINGS

It has been an exciting, unusual, and pivotal year for our Chamber businesses. The year had many strengths including membership growth, new businesses coming to our community, and the successful transition to our new tiered dues structure. But the year also held many challenges including businesses either having to temporarily close their doors or completely change the way they served their customers. Through this, our businesses showed creativity, endurance, and grit, and it was an honor to walk alongside each of you through this time. Sioux Center is strong and generous, and our community has done an incredible job of supporting our local businesses! As we begin our new fiscal year, we're excited about new opportunities, new growth and a community that will even be stronger than before!

### CHAMBER COUPON CARD

The new Chamber coupon cards are in! We know that you are going to love the many great deals and ways to support your fellow chamber members. If you have already paid your dues, we will be contacting you to find a convenient time for us to deliver your cards to you, or you are welcome to stop by our office to pick them up!

## CHAMBER GOLF TOURNAMENT

The 43rd Annual Chamber Golf Tournament is in the books! Thank you to the 160 golfers who made this event so much fun and for our hole sponsors who added a bit of spice to every hole! And huge thank you to The Ridge staff who made the first shot-gun start of the season go off without a hitch!

Here are just a few photos from the event. See more photos on our Facebook page!

Congratulations to Dan Faber (left), TransOva, who won this year's putting contest. He donated half of his winnings to The Hope Food Pantry!

## Thank You

As one of the recipients of the Sioux Center Small Business Recovery Fund, we want to thank the chamber for creating this opportunity and to thank every business and individual who contributed to the program. It was very humbling to be on the receiving end of this grant and we will apply it towards wages for our incredible staff who have remained positive despite the deep decline in travel requests. And while this gift was amazing, we have been blessed in so many ways by the community of Sioux Center. From endearing notes and phone calls to prayers to bank and accountant assistance with the PPP program, we have been surrounded with support and encouragement. The people and businesses of Sioux Center are truly amazing and we are so thankful to be a part of this wonderfully supportive and generous community! **-THE TRAVEL ADVANTAGE**
