Pella Corp's Sioux Center plant has taken on production of casements for the Lifestyle triple casement windows, one of Pella's most popular lines. Sioux Center was chosen to take on production of the line for a number of reasons including its excellent team members, open floor space and the factory's success in hiring. "This has been an amazing effort between the Pella and Sioux Center teams," states Denny Van Zanten. "We have excellent team members in Sioux Center and this move has created many new job bid opportunities for our current team as well as creating 50 more job opening for new hires over the next few months." Congratulations to Pella Corporation for this great opportunity for our community!

First unit produced on the assembly line that was moved to Sioux Center.

## Congratulations Julie!

Congratulations to Julie Arends on recently receiving her Doctorate of Physical Therapy. Julie is a physical therapist and part-owner of ProActive Physical Therapy and Sports Rehab and active in the community. She is committed to investing in the health of her patients by restoring function and improving their quality of life. Congratulations Julie!

Congratulations to Link Manufacturing on their recent announcement of an upcoming 50,000 square foot expansion that will begin in March.

"The new space will provide room for significant growth across all product lines anticipated in the next few years," said Link president Jim Huls. The expansion will support growth plans and may add as many as 50 local jobs.

# Library Announcements

## SHELF DISCOVERY BOOK CLUB

All adults are invited to join the Shelf Discovery Book Club on Saturday, March 20 at 10:00am. We will be discussing "The Line Between" by Tosca Lee. This book will also be the One Book One Sioux County title for the year. You can stop at the library to pick up your copy.

## POP UP PLAY DAY

Parents – take your children to the Sioux Center Library on Thursday, March 4 and 18 for Pop Up Play Day! This is a great time for you to visit with other adults and let your little children play with some new toys! Pop Up and Play times are from 9:30-11:30am. There is no need to register – simply show up and enjoy some time with your child and new friends!

## Spirit of Promise Award Winner

Promise Community Health Center Leadership is proud to announce the establishment of the annual “Spirit of Promise” award. This award has been created to celebrate and recognize employees who exemplify and inspire positive values and behaviors. This staff member will be selected based on outstanding dedication, initiative, motivation, positive attitude, and customer service.

This year, we are proud to announce the winner of the “2020 Spirit of Promise” – Gabbie Coons

Gabbie has been an employee of Promise since August of 2016, originally being hired as a dental assistant and later promoted as Lead Dental Assistant. Gabbie goes above and beyond every day to ensure the success of the dental department and organization as a whole. She is incredibly helpful in guiding patients through their visit; all the while ensuring they are well educated and comfortable. Gabbie is

an excellent role model to her coworkers – she is enthusiastic about her work and embodies a positive spirit. Her drive to continue to develop her skills as a dental assistant is evident by her work and commitment to expanded functions in dentistry. Gabbie is efficient, intuitive, and forward thinking. She works collaboratively with all departments across the health center. She is engaged in her patients, her employees, and the organization as a whole. Gabbie is a joy to work beside and a true blessing to Promise Community Health and our patients. Congratulations Gabbie on being chosen as this year’s recipient of the “Spirit of Promise”.

## American Diabetes Association

The prestigious American Diabetes Association Education Recognition Certificate for a quality diabetes self-management education and support (DSMES) service was recently awarded to Promise Community Health Center in Sioux Center, Iowa. The ADA believes that this service offers high-quality education that is an essential component of effective diabetes treatment.

DSMES services apply for Recognition voluntarily. Services that achieve Recognition status have a staff of knowledgeable health professionals who can provide participants with comprehensive information about diabetes management. Education Recognition status is verified by an official certificate from ADA and awarded for four years.

Promise Community Health Center’s mission is to provide accessible, holistic healthcare that adapts to the needs of the

community to improve the wellbeing of all persons. With this mission in mind, The Population Health Staff felt it was important to build an educational program that meets the National Standards for Diabetes Self-Management Education and Support. Promise wants their patients to leave feeling confident that they have the tools for diabetes self-management. DSMES is tailored for each individual’s needs, goals, and experiences.
