THE RIDGE GOLF SHOP
NOW OWNED BY THE
RIDGE GOLF CLUB

This will also be a great opportunity to meet Jon Crane, the new Director of Golf.

It is with great enthusiasm that I join The Ridge Golf Club as the Director of Golf. I appreciate the opportunity to serve the City of Sioux Center and the surrounding communities in this role.

I grew up in Rock Valley, and later graduated from Mississippi State University. I have been in the golf business for 25 years, most recently as the Director of Golf at The Club at Porto Cima in Lake Ozark, MO. My family and I returned to Sioux Center in 2018 and I took a position in Business Development at Interstates. I also have the pleasure of serving as the Head Coach for the Men's and Women's Golf Teams at Dordt University.

I look forward to meeting those of you I have not had the pleasure of knowing and getting reacquainted with many whom I have known over the years. I am excited to get to know you and talk about how and why The Ridge is important to you.

Good Golfing,
JON CRANE, PGA

MONDAY, APRIL 5: Bilingual Story Hour will be held at 6:30pm

TUESDAY, APRIL 6: Tuesday, April 6: Teens are invited to participate in a Bad Art program at 3:30pm. There will also be a Do-It-Yourself Doll accessory program for children.

WEDNESDAY, APRIL 7: Stanley the Reading Dog will be at the library from 2:30-4:30pm.

THURSDAY, APRIL 8: Dr. Gwen Marra will lead a program called "Read to Me" at 10:30am and 6:30pm on the importance of reading to your children.

APRIL 8 & 9: Teens are invited to drop in at the library and make a button to take home. Registration is not required. Simply call your friends and show up!

FRIDAY, APRIL 9: Patron Appreciation Day! Stop in at the library for free coffee and cookies while supplies last!

SATURDAY, APRIL 10: Edible Book Contest will be held in the library. Entries can be dropped off between 9:30 and noon. The public can stop to vote on the people's choice award from 12-2:45pm. Final judging will be done at 3:00pm. For a complete list of all the activities being offered or to register for any of the programs, please visit our website at siouxcenterlibrary.org.

BILINGUAL STORY HOUR

Bilingual Story Hour is held every Monday night through April from 6:30-7:30pm. Parents and children are invited to come for books and activities that incorporate Spanish language learning. Fun for both English and Spanish-speaking families.

STORY ON SITE FIELD TRIPS

The Sioux Center Public Library will be holding two Story on Site Field Trips during the month of April. We will be going to the Dordt Ag Stewardship Center on Tuesday, April 6 at 10:00am. And then on April 27 we will be going to the Heritage Village! These are some of our most popular kids' programs and are open for families of any age! We hope you can join us!

NATIONAL GIVING DAY

National Giving Day is Wednesday, April 7. The library has been so overwhelmed with the responses we have received from local businesses and organizations that for National Giving Day we are asking our patrons to give back! In April, we are going to be raising funds to buy books for Kingdom Kids, a ministry run by Taunya (De Weerd) Merilus in Haiti. Taunya is hoping to plan a summer reading program similar to ours based off the theme of "Reading Colors Your World". However, in order to do this, she needs the funds necessary to buy an appropriate amount of books for the reading program. The library will have a donation bucket up front during the month of April for the public to place donations in. Thanks for helping us pay it forward!

BILINGUAL STORY HOUR

Bilingual Story Hour is held every Monday night through April from 6:30-7:30pm. Parents and children are invited to come for books and activities that incorporate Spanish language learning. Fun for both English and Spanish-speaking families.

CHILDREN'S DAY/BOOK DAY

All kids are invited to join the Sioux Center Public Library at Central Park on Friday, April 30 from 3:30-5:00pm. We will be celebrating Children's Day/Book Day by providing a variety of cultural and literacy games, activities, and crafts. There will also be bouncy houses and snacks. This event is free and open to all!

Crown Pointe Estates

The Sioux Center Health Board of Directors and hospital administration are pleased to announce a new name for Sioux Center Health's Senior Living campus: Crown Pointe Estates. Royale Meadows and Crown Pointe have been established names on the Senior Living campus, and the identification of one name creates one community for all residents to provide a secure, compassionate, and vibrant environment that inspires continuous enthusiasm for life.

Crown Pointe Estates at Sioux Center Health provides a complete continuum of care for residents – from independent and assisted living including memory care, skilled nursing care, and hospice and home care. Services are dedicated to the individual needs of each

resident at the level of care required for every stage of their aging journey.

"This building project is designed to meet the needs and desires of our growing population with the goal of establishing a sense of one vibrant, active community," said Cory Nelson, CEO of Sioux Center Health.

Link Obtains Hadley's Valve and Suspension Control Product Lines and More in Strategic Acquisition

SIOUX CENTER, Iowa, USA (March 9, 2021) — Link Mfg., Ltd., the leader in specialty-engineered suspensions, announced that it has finalized an agreement acquiring valve and suspension control product lines and related expertise from Hadley Products Corp. A manufacturer and supplier to commercial truck, bus, RV, military and specialty vehicle markets, Hadley's well-known brands include its award-winning SmartValve Electronic Height Control System and Smart Air Management System (SAMS).

As part of Link's investment, several key staff will be transitioning from Hadley to Link. Link will also obtain the rights to Hadley's dynamic air suspension control technology which improves aerodynamics, reduces rolling resistance and increases tractive performance by precisely balancing a vehicle's weight at speed. Hadley's entire portfolio of legacy mechanical height control valve business is also being procured by Link.

The move accelerates Link's expansion into the suspension control segment of the heavy truck market, increasing its synergistic influence on cab and chassis suspensions and extending its reach firmly into the trailer side of the marketplace. With the 2019 introduction of its ROI Cabmate Suspension, Link had already emerged as the leading innovator in dynamic suspension damping for class 8 tractor cabs. Now, armed with Hadley's mechanically and electronically controlled air suspension technology, Link will be an undisputed force in driver-focused safety, fuel efficiency and load management solutions.

WELCOME

EARLENE ANGELL, ARNP, PMHNP, BC

CERTIFIED PSYCHIATRIC NURSE PRACTITIONER

Tell us a little your background.

I am an Advanced Registered Nurse Practitioner specializing in psychiatry and board-certified Psychiatric Mental Health Nurse Practitioner. While working on my Bachelor of Science in Nursing, I was given the opportunity to work as a Registered Nurse on an acute crisis stabilization unit that served an adolescent and adult population. This position gave me the direction to continue my education and attain my Masters of Nursing as an ARNP/PMHNP.

What is your approach to caring for patients?

While I appreciate the importance of western psychiatry and prescribed medication, I also focus on researching underlying conditions that may be attributing to symptoms associated with depression, anxiety, OCD, ADHD, etc. I am committed to treating the whole person through a more holistic approach. Additionally, I allow each client to play an active role in reshaping their future, which helps to strengthen the client's commitment to a healthier, happier quality of life.

To schedule an appointment, call 800-242-5101 or visit seasonscenter.org.
Minimal wait time for patients with completed paperwork.

MARCH IS

NATIONAL NUTRITION MONTH

Amanda Rickard

Pn

Certified Coach | 1

The Nurse Health Coaches, at Promise Community Health Center, are always looking for ways to better help Promise patients make lifestyle changes to positively impact their health. Amanda Rickard, RN has found one such way, by becoming a Certified Nutrition Coach through Precision Nutrition.

This certification provides the skills to help coach our patients to deep wellness, improving their health outcomes now and in the long term. As a Certified Nutrition Coach, Amanda will be able to help patients break what can feel like big health goals down into small daily practices that add up to massive changes. This coaching focuses on developing health habits that become second nature that can last a lifetime.

As a Nutrition Coach, Amanda will facilitate the inclusion of health eating behaviors and empower her clients to take responsibility for their own health. She will mentor and lead patients toward a healthier lifestyle. Completion of the Precision Nutrition Certification arms Amanda with a knowledge of both nutritional science and behavior change strategies that will benefit patients at Promise for years to come.
