June Chamber Meeting with Debi Durham

We welcomed Debi Durham, Director of Iowa Economic Development Authority, to Sioux Center as she visited with local industries, business & community leaders, and Chamber members. She heard about successes and challenges in our community and ways we will continue to build on our momentum. Debi toured Pella Corporation where she saw their new product line and heard about the implementation of robotics on their manufacturing floor. She also visited Link, Mfg where she was shown their fabrication floor, test lab and auxiliary suspension production line. The tour concluded with a brief observation of plant 4's construction progress. We were honored to host Director Durham in our community!

Temporary Signs Must Now Be Registered

Planning a sale, special or community event?

Anyone planning to use a temporary sign for these must register them with the City of Sioux Center before posting them. The form for the free temporary sign permit is available at www.siuoxcenter.org/tempsigns

Temporary signs that require permits include moveable message board signs and electronic display signs, banners, flags, and other signs used for short periods of time for business specials or events and community events.

Temporary signs can be posted for up to 14 days up to 4 times a year. These can run consecutively, but the sign owner must re-apply for a temporary sign permit after 14 days. There is no fee for a permit.

Please note: air-activated signs, animated signs (for example, with cartoon characters running across the screen), and signs with moving parts are not permitted. Signs may not be placed in the road right of way, and off premise advertising is not allowed.

Signs that do not require this permit include realtor home sale signs, political or special interest signs, and window displays. This change to the City sign ordinance was approved by the City Council to help promote an organized and attractive community.

Contact Dorhout for additional information at (712) 722-0761.
