WHAT MAKES YOU MOST PROUD OF YOUR BUSINESS?

I am incredibly honored and proud to work for a company that shares the same "WHY" as I do both within and outside of the workplace. Our "WHY" is that we passionately care. Because of this I am able to be a servant leader and show compassion to all of my clients to ensure they have the most personal and best experience.

WHAT DO YOU ENJOY DOING OUTSIDE THE OFFICE?

I love serving alongside my family at our church. My husband and I are also huge Nashville Predators fans so we love to slip away to Nashville to catch hockey games whenever possible!

"YPM has truly helped Murray to become my home. I joined YPM a few months after my husband and I bought our house here. I wanted to expand my small circle of people I knew here and grow in my professional life. Everyone I met through YPM was so welcoming and made me feel at home. We all come from different backgrounds, careers and seasons of life but YPM gives us all a common ground and allows us to grow personally and professionally."

COMMUNITY INVOLVEMENT OPPORTUNITIES

At our December Lunch Meetup, David Perlow, partner with Easley, Ernstberger, Perlow, & Naber, PLLC, discussed the importance of young professionals getting involved with the community. One opportunity he emphasized was serving on a community board. Both the City of Murray and the Calloway County Fiscal Court are seeking individuals to fill board positions.

Check out www.murrayky.gov/boards and www.callowaycounty-ky.gov/county-boards to explore the opportunities available.
