2019 Chamber Charity of Choice

Nemours Children's Hospital - Children's Health Fund is our Chamber Charity of Choice for 2019. This year, we want to feature some brief Q&As about their efforts and needs.

Q: What is Nemours Children's Hospital?

A: Nemours Children's Hospital, a part of the Nemours Children's Health System, is recognized as one of the nation's safest pediatric hospitals with teams that include some of the best doctors, nurses, and support specialists around. Children can get the full spectrum of care through our extensive pediatric specialty care network comprising Central Florida and our surrounding communities – from fetal care starting in the womb, to primary care for regular well-child visits, urgent care for life's little mishaps, and emergency and inpatient care. Taking care of kids isn't part of what we do. It's *all* we do.

Our Taste of Nona Silent Auction raised \$7,366 and The Basket Case's luncheon basket donations raised \$543 for Nemours Children's Health Fund this year!
