

LAKE NONA

REGIONAL CHAMBER OF COMMERCE UPDATES

Like many of you, we are not in the office but continue to work for our community remotely.

Our monthly Chamber Board Meeting conference on Zoom.

FROM THE CEO

We take this opportunity to thank the community for their energy to help others during these challenging times. Keep your ideas and help coming our way. Of course, our prayers and thoughts of care are sent to the many people working on the front lines. Thank you to our medical workers, first responders, essential workers, and volunteers. You are the best! Your board of directors and chamber staff constantly work to bring value to your community. Find out how you can benefit and participate in this process by calling us at (407) 796-2230.

Don Long, President/CEO
