From the CEO

Throughout this pandemic, your chamber was here for you with essential authenticated and helpful information to guide the community through this troubled time. We also brought masks into our system and they are still available. All you must do is ask and we will reserve some for you. In addition, I am available to consult or work with you to find helpful resources.

With gratitude I thank Tavistock Development's Lake Nona Events staff, especially Justin Nickerson, for allowing us to take part in the first Great American Parade on June 28 here in Lake Nona. It was a grand patriotic event enjoyed by all.

Thanks to all our supporters that continue with us. Without you, we cannot help the community.

Please stay safe and well. Support our local businesses and non-profits.

Don Long
President/CEO
