### From the CEO

Since March 1, we brought essential information to our members and subscribers that helped them find financial, mental and logistics support during the COVID-19 crisis.

As we begin our summer, we will continue in our efforts to assist our community and businesses whether they are members or not. Numerous recipients including government officials have commented on our no-nonsense approach to distributing only information from authenticated sources. If you are not on our email list and would like to enroll, just let us know.

On the fun side of things, we organize a weekly Tuesday Zoom meeting that is open to everyone. We usually have a fun theme for the meeting, and we all to discuss what else is in going on with our businesses and community. is also an opportunity to ask questions about the latest developments for economic recovery.

Find out more by visiting our chamber website, [www.lakenonacc.org](http://www.lakenonacc.org), events page. Mentioning events, your chamber is returning to an event schedule safely and based on guidance from our best information sources on how to avoid this virus.

Please stay safe and well. Support our local businesses and non-profits, who need your donations.

Don Long  
President/CEO

## Chamber Non-Profits & Needs

### **Broken Wings - Counseling (321) 701-3064**

Mental health/ substance abuse/ suicide/ domestic violence - they are here for the community in Lake Nona and provider services for those with or without insurance. No matter what, they are here for you.

### **Central Florida Children's Home (407) 277-7441**

They are 100% community funded and their funding is down. Anyone who would like to donate financially or materially are welcomed. Please visit the website at [centralfloridachildrenshome.com](http://centralfloridachildrenshome.com) to view their fundraising events. CFCH is looking for sponsorship for golf tournament in September. Information is on their Facebook site. They are not accepting any volunteers as of today.

### **Friends of Fisher House Orlando (407) 900-5668**

Not able to accept volunteers or groups for meals currently. Restaurant gift cards are helpful donations.

### **Friends of the Orlando Philharmonic Orchestra (617) 538-1144**

A new event coming to Lake Nona Country Club in the Fall. For a modest fee you can join Friends of the OPO and volunteer. Welcoming volunteers now.

IDignity, Inc. (321) 445-1900 [idignity.org](http://idignity.org)

No volunteers right now. One thing is for certain – once this pandemic comes to an end and we all return to our daily lives, the need for identification will be even greater. There will be numerous people looking for work, people who lost their job in the wake of the coronavirus and don't have proper identification. Without that identification, finding employment will be nearly impossible. Consider making a financial gift to support the people who need to find a job but don't have the identification they need to secure employment. You can make a one-time donation that will ensure IDignity weathers this storm and is ready to serve those in need of identification, or you can set up recurring gifts to sustain IDignity's mission long past this pandemic. Share IDignity's mission with friends and family for ideas and resources you can use to spread the word about IDignity. Your support, whether financial or by raising awareness, will ultimately help countless individuals get back on their feet.

Lake Nona Youth Sports (407) 325-8000

Registration is open, season start is August 1st. Limited number of participants. Practices held at Heroes Community Park; home games played at Lake Nona High School. Boys & Girls ages 5-14, [lakenonajrliions@lakenonayouthsports.org](mailto:lakenonajrliions@lakenonayouthsports.org) .

Ronald McDonald House Charities of Central Florida, Inc. - Orlando, FL (321) 319-4748

Not accepting volunteers or groups for Share-A-Meals currently, so this is leaving a gap for meals. They ask people to reach out to local restaurants and order lunch or dinner for the House. By doing this, people can also support their local restaurants. People can call the House to set up a date. On top of this, the house is always in need of monetary donations! Many fundraisers have been disrupted by the pandemic causing a gap in funding. This is definitely a highneed as we continue to serve families.

## Why Join or Renew?

**Business advocates** – Your ability to influence public policy on common business problems becomes greater as more voices are added to advocate on behalf of businesses like yours. The local chamber takes on the tough issues and opposes new regulations, taxes, fees, assessments and costs directed at small businesses. It also helps protect the principles of free enterprise and aids businesses in being treated fairly.
