

LAKE NONA

REGIONAL CHAMBER OF COMMERCE UPDATES

FROM THE CEO

As we move into summer, I want to remind you that the News and Resources page of our website is loaded with a wealth of helpful information for both COVID-19 updates, economic news, and other business-oriented subjects.

Coming in November – our first Lake Nona Regional Chamber golf tournament. This promises to be a fun day full of camaraderie on the course. Stay tuned to our event announcements as we confirm the arrangements.

Your chamber has 1,000 commercially manufactured masks available for members to reserve and pick up as you need them. Just drop us an email or call with the number of masks needed.

Please stay safe and well. Support our local businesses and nonprofits, who need your donations.
