

LAKE NONA

REGIONAL CHAMBER OF COMMERCE UPDATES

FROM THE CEO

The holidays will be here soon. We hope you will be able to enjoy them with family and friends. We also ask that you consider supporting your local businesses by shopping and buying locally. Together, we can continue to provide a stable economy to secure our future.

Here at the chamber, we will continue our efforts to keep you informed while we all try to adjust to what will be a unique way to celebrate the holidays. We will also continue to bring programs, including advocacy with government, education, information, networking, and diversity. In return, we hope that you and the community can support us.

Please stay safe and well.

Don Long, President/CEO
