From the CEO

The holidays will be here soon. We hope you will be able to enjoy them with family and friends. We also ask that you consider supporting your local businesses by shopping and buying locally. Together we can continue to provide a stable economy to secure our future. Be thankful on Thanksgiving.

Here at the Chamber we will continue our efforts to keep you informed while we all try to adjust to what will be a unique way to celebrate the holidays.

November also brings an occasion to remember and thank our veterans for their sacrifices to guarantee our freedom. On Veterans Day, November 11, make an effort to thank every veteran and their family for their patriotism and loyalty to our county.

Please stay safe and well.

Don Long
President/CEO
