### From the CEO

May brings two especially important days to remember the gifts and sacrifices we should be thankful for. On the ninth we remember our mothers as we celebrate Mothers' Day. Think of a distinct way to show your love on her day.

May 31, 2021 brings Memorial Day. Officially established as a holiday in 1971, it originated shortly following the Civil War. On the last Monday of each May please find a way to honor the Soldiers, Sailors, Marines and Airmen who died serving for us all.

This month we are proud to announce that Amazon MCO1 Fulfillment Center here in Lake Nona is a Platinum Partner of our chamber. We look forward to working with the center's almost 5,000 Amazon associates as we integrate them into our growing and active community.

I also want to thank members of the community and our volunteer committee that supported our Nona Find event on April 10. Thanks to you all, it was a fantastic way to support our businesses and meet new people.

*Don Long,*  
President/CEO
