### From the CEO

Welcome to summer. Life is great here in Lake Nona when the days are long, and we have more daylight to enjoy what Central Florida has to offer.

This past month we are fortunate to welcome our newest partner to our list of business members who choose to take advantage of enhanced participation in our Chamber as a Copper Partner. Join me in welcoming Northwestern Mutual with their numerous financial advisors to our family.

We encourage your support of these influential members of our community.

We recently participated in a unique Chamber Mingle where we met the key players in almost 20 other chamber organizations in our region. We look forward to the opportunities working together with these community minded organizations can bring to the region. Stay tuned.

Please enjoy a safe and continuing summer and thank you for your support.
