**FROM THE CEO: VOTING IS THE BEST WAY TO PARTICIPATE**

LAKE NONA, FL September 1, 2022 – Making your voice heard through the ballot box is one of the greatest freedoms. On August 23, Orange County held primary elections and the results are convenient for you to find at the Orange County Supervisor of Elections website at [www.ocfelections.com](http://www.ocfelections.com). Coming November 8 is the general election that will include not only your opportunity to choose local, state and national persons for elected office but also several important amendments, petitions and referendums that can significantly impact our region. I encourage all registered voters to make their voices heard. If you do not want to visit a polling place on election day, please take advantage of other options like early voting and vote by mail. Follow the guidance of President Lincoln by exercising your rights to participate in a government "of the people, by the people, for the people."

Don Long CEO, Lake Nona Regional Chamber of Commerce
