A Note From the CEO

Many of you may have suffered losses from Ian. We hope your homes and businesses are able to quickly recover and return to work safely.

We also encourage you to use us here at the chamber as an informational source for assistance. Another source for disaster assistance can be found at Enterprise Florida's Emergency Preparedness page <https://www.enterpriseflorida.com/disaster-assistance/>.

If you are able to help members of our community that need assistance you can also visit our list of member nonprofits on our website www.lakenonacc.org.

Stay safe and well.

Don Long,
President/CEO
