NOTE FROM THE CEO

The holiday season presents opportunities to give and receive gifts; expressions of friendship and love; along with enjoying the celebrations and gatherings attuned with one's religious and societal beliefs.

In the spirit of giving there are 26 nonprofit organizations served by the Lake Nona Regional Chamber (LNRCC) during the holiday season.

All of them support the needs of the community and you can make choices to support by reviewing the list on our [website](#). Needs range from monetary, home and business supplies, toys and to volunteering. Another way to give back during the holiday season is to support local businesses, both large and small. Shop, eat, seek home services, or recreate locally. LNRCC supports all sizes of businesses because small businesses are the backbone of the country while large businesses support abundant jobs and business-to-business opportunities. The combination of both small and large businesses contributes to the vibrancy and success of the community.

To help inspire the giving spirit here is a memorable quote from motivational speaker Brian Tracy, "Always give without remembering and always receive without forgetting". LNRCC supports "A Season of Giving" and wishes all the happiest of holidays.

Goodwill Industries of Central Florida

It's probably no surprise to hear that Americans throw away [more trash](#) between Thanksgiving and New Year's than any other time of the year. And that's why November has been designated as America Recycles Month... the perfect time to reflect on items that can be donated versus thrown into the garbage.
