“A Time of Giving” Help Support your Community

Each year, supported by generous individuals, businesses and service clubs, Project Santa Claus provides Christmas gifts to hundreds of children in need in Douglas County. The Department of Social Services and other agencies along with the Food Closet work together to qualify families who will depend on Project Santa Claus to have a joyous Christmas.

For each child age 17 and under in these families, two angels are placed on Angel Tree locations around the community. Each child receives two gifts valued at approximately \$30 each.

All gifts from the community are gathered at a central location to be checked, wrapped as needed and assigned to the appropriate family by Project Santa Claus volunteers. If you want to be part of the success of Project Santa Claus as a volunteer, a financial donor, or by fulfilling the wishes on one of the Angels, you call Project Santa Claus for information at **(775) 721-2400** or email us at

Passport to Carson Valley

Carson Valley's Small Business Saturday Passport shopping program starts now! Saturday, November 26, 2022 is Small Business Saturday® - a day to celebrate and support small businesses and all they do for their communities. Our local businesses are the first to help sponsor local events, local teams and local organizations. Here, as across the nation, small businesses are the backbone of our community.

How the Passport Program Works

1. Pick up your passport at any participating member business or at the Welcome Station marked with the  (Big Red Star) on November 26th. Visit each business and have your passport marked/stamped for purchase or coming in. (**some of our business may require a purchase for a stamp**) You will receive an additional mark for every \$10 spent, giving you additional entries into the drawing.
2. Turn your punched Passport with a minimum of 10 marks in at any of the participating businesses or at the Carson Valley Chamber of Commerce located in the Museum & Cultural Center at 1477 US Hwy 395 N., Suite A, Gardnerville by **November 30, 2022** To be entered into the contest.
3. Two gift baskets will be awarded. One basket will be given away in a random drawing from all turned in passports with 10 or more punches. The second Grand Prize basket will be awarded to the Passport with the MOST marks on their Passport.
4. Participating businesses will have SHOP SMALL® signs in their windows, table tents on their counters, and plenty of Passports to distribute.

At a time when an increasing number of consumers are opting to shop online—and are spreading their holiday shopping spending over a longer period of time than they did traditionally—many still prioritize visiting brick and mortar small businesses on Small Business Saturday—American Express
