The ATHENA® Award recognizes an individual for business or professional accomplishments, for community service, and especially for mentoring others and providing a role model to encourage women to achieve their full leadership potential. The MRCC is the only organization in the state that bestows this honor.

Your participation in this award program sends a clear message that your organization invests in your community and its growth by identifying and honoring its leaders. The caliber of ATHENA® Leadership Award nominees and recipients often draws media coverage. Your participation associates you with exemplary leaders and is a vehicle for cultivating important relationships both personally and professionally. Honor your community's leaders.
