### The Monadnock Conservancy

recently announced that the region’s largest dairy farm, Chickering Farm, with 350 acres along Connecticut River in Westmoreland, will remain intact in perpetuity. Owner Arthur “Jim” Chickering has spent his life working the land, and his deep connection to it motivated him to conserve the property. With dairy farming an increasingly difficult business, there was a high risk that the land would be lost to development and Chickering refused to let that happen. The Chickering Farm is the most important farmland project to date to be protected with the Conservancy.

Are you looking for a way to make a difference in your community? **Monadnock RSVP Volunteer Center** is in need of volunteers. By volunteering just one to two hours a week with Monadnock RSVP Volunteer Center's Neighbors-In-Deed program, you can have a direct impact on the life of one of your fellow community members who is struggling to remain living independently in their home.

Volunteers may help their care recipient go to the grocery store or pick up a prescription, go out for coffee, sit and chat over a puzzle or, perhaps, go for a scenic drive. Matches are made based upon shared interests and/or life experiences, proximity between people's homes and expectations.

There are also opportunities to be a volunteer driver or handyman as needed. To learn more about the Neighbors-In-Deed program or the other volunteer roles, call or email **Jazmin Belcoure** at 603-357-6893 or [jbelcoure@mfs.org](mailto:jbelcoure@mfs.org).

Frogg Brewing is very excited to be part of the Greater Keene Chamber of Commerce. The brewery opened in October 2018 and would like to thank the community for a great welcoming. During the past six months they have grown their beer selection from six to eight “beers on tap” each weekend.

In the upcoming months they will have food trucks, floral, jewelry, crafts and yoga events at the brewery. Past events like these have been hugely successful. Check out their pet friendly outdoor patio area! They have games and a small food menu to keep you entertained while hanging with friends/family and enjoying on tap beer.

Frogg Brewing plans to attend a few beer festivals throughout the state and is especially excited for the Wyman Tavern Brew Festival on August 3rd! Check them out on Facebook, Instagram, Untappd or [www.froggbrewing.com](http://www.froggbrewing.com) where you can sign up for their weekly newsletter.

Owners Michael & Stephanie Guitard along with brewer, Alex Rice, have enjoyed meeting so many people and looking forward to meeting many more. Thank you to the Monadnock Region for such a warm welcome!

Rise for baby and family has been providing supports and services to infants, toddlers and their families in the Monadnock region since 1981. Rise serves over 250 children birth to three annually with early supports and services (early intervention) and child care programs.

In all that Rise does, the staff strive to develop a partnership with families; to combine the expertise of parents with that of professionals to create a team that will provide the best possible care for their children.

When parents have concerns about their infant or toddler's development, the impact of a premature birth, speech delay, suspected autism or any other concern, large or small, Rise is available to help. The organization's early supports and services staff work closely with parents to build on their strengths, provide resources, and make connections in home, child care, and community settings to support their child's growth and development.

Rise provides high quality child care in a small group setting for children. They include children with special needs with their typically developing peers in a warm and nurturing environment where all children are appreciated.
