

GREAT.EASTERN.RADIO

STIMULUS PACKAGE

Whether you are a current advertiser or have never advertised with Great Eastern Radio, we are pledging 20 free commercials to any Greater Keene Chamber of Commerce Member, when you're open for business again.

We will help you write and produce these commercials.

They must be booked and used with 60 days of Governor's Executive announcement that businesses can return to normal.

It has been a trying time for all, and we here at Great Eastern have also felt it, so it is our sincere hope that you take full advantage of the offer as it is the very least we feel we can do to help rebuild our local community.
