BUSINESS

DIRECTORY

Members can utilize the Chamber's website by adding information to their business directory listing. View it at a "micro-website" & if you already have a website, use the business directory as a bridge to have people redirected to you site. You have access to include:

Your logo

Contact information

Business description

Links to your website & social media feeds

Pictures

Videos

Job postings

These are linked to appear on our [Facebook](#), [Twitter](#) & [website](#)

Hot deals

*These are **SALES** for the whole community to take advantage of. They will appear on [Facebook](#), [Twitter](#) & [our website](#)*

Post your events

Your events will be posted on our events calendar on our website

Request for proposal

You can both look up other member's RFP's as well as add your own. The requests are emailed out to the specific category of businesses that would qualify for your RFP

MarketPlace

A business "garage sale" site that you can either add or purchase items
