Many companies may not realize that coverage on one of their most valuable assets, their accounts receivable, is available or that it could provide them with a safer way to grow their business. Euler Hermes trade credit insurance protects your accounts receivable against unexpected bad-debt losses due to insolvency or slow payment. This multi-purpose tool is customized to meet your company's needs and can help your business avoid catastrophic losses and safely grow sales.

**YOUR WORLD CLASS BENEFIT:  
Two Free Credit Checks per Year**

**Building Better Businesses**  
The Lean Way

**Benefits Coming Soon**

World Trade Center Kentucky has partnered with Infintech to bring its members lower fees for their credit card payment processing services.

Participating World Trade Center-Kentucky client-partners receive **credit card processing, favorable contract terms, competitive equipment pricing** and **local customer service**. The program is designed to drive down the costs of accepting credit cards, which results in bottom-line savings. And because Infintech is solely a provider for electronic payment services, the program will not interfere with existing banking relationships.
