Committed to leadership growth and community excellence

Leadership Nampa has been developing leaders since 1995. During the nine month course, participants spend one day a month developing their personal leadership profile and actively learning about our community through tours, demonstrations, and presentations. A range of topics include Economic Development, Agri-Business, Education, City Government and more. The program culminates working together on a community service project.

Application available online at [www.nampa.com](http://www.nampa.com). Return applications and head shot photo to [info@nampa.com](mailto:info@nampa.com) or mail to Nampa Chamber of Commerce, 315 11th Ave South, Nampa, ID 83655. For questions, call 466-4641.
