Experience It! Monasteries in Metéora

Atop towers of limestone rock that reach almost 900 feet in the air, the remote monasteries of Metéora seem like a direct line to the Divine. From early Christian times, Metéora's cliffs were heralded as the place to achieve peace and harmony, and thus, spiritual revelation, thanks to the isolation they provide. It's no surprise that the monasteries were erected here among the overwhelming rock formations and inspiring setting. These monasteries, and the monks who reside in them, are living out Byzantium history in their monastic communities built high on the vertical rocks and tucked away inside pristine natural beauty. Today, Christians from all over the world make their holy pilgrimage to these monasteries, and Metéora has become a preservation site for the 2,000 year-old Christian Orthodox creed.
