CHAIR’S MESSAGE

As we enter a new year and a new decade, it is my privilege to work with the Chamber board and staff to continue the Chamber’s mission of helping our members prosper and enhancing the quality of life in the Chambersburg area by promoting our business community and economic development.

As a quick introduction about myself, I am a Chambersburg native and have worked as a certified public accountant for SEK CPAs and Advisors for 30 years in the tax, small business and consulting areas. I have been active with various Chamber affiliates including the Chamber Foundation board, Community Development Corp. and Chambersburg Area Development Corp. as well as many local nonprofit, church and civic organizations.

Our community is entering a new decade with many exciting opportunities including wrapping up downtown and surrounding area projects, taking on new and exciting expansions, more renovations and economic growth. I’d like to encourage all our members to work together to create the best business environment so that the community can grow, prosper and provide a great place to work, worship and live.

We are pleased to welcome Jordan Nace as the new membership director! Jordan joined the Chamber team in early November and formerly worked in sales for Higher Information Group. His experience includes an extensive background in sales and marketing as well as relationship-building with clients in the Carlisle, Shippensburg and Chambersburg areas. He received his undergraduate degree in communications studies from Indiana University of Pennsylvania and is originally from Carlisle.

“I am excited for this opportunity to help the Chambersburg Chamber grow and am eager to engage with the businesses that are the backbone of our community,” said Jordan Nace, membership director of the Chambersburg Chamber. “I am blessed to have this opportunity and cannot wait to meet all of our wonderful members and those interested in learning more about our organization.”

Hosted by the five chambers of commerce on behalf of the Franklin County Government Affairs Committee, more than 190 people attended the 4th Annual Legislative Breakfast to hear from Senator Doug Mastriano, Senator Judy Ward, Representative Johnathan Hershey, Representative Rob Kauffman, Representative Paul Schemel and Representative Jesse Topper.

Attendees also participated in a Q&A with the panelists to talk about local issues such as environmental regulations that affect businesses. On the same topic, Senator Mastriano and Representative Schemel highlighted energy and natural gas as one of Pennsylvania’s greatest assets, encouraging the use of this resource for greater initiatives rather than an increase in regulatory limitations.

Special thanks to Grand Sponsor Patriot Federal Credit Union, the members of the Franklin County Government Affairs Committee as well as the representatives from the Greater Chambersburg Chamber of Commerce, Greater Waynesboro Chamber of Commerce, Greencastle-Antrim Chamber of Commerce, Shippensburg Area Chamber of Commerce and Tuscarora Area Chamber of Commerce. For more information about the public policy positions of the Franklin County Government Affairs Committee, please visit Chambersburg.org/Advocacy.

The Community Education Coalition/Employability is partnering with the Partnership for Career Development/SCPaWorks (PCD) and Penn State Mont Alto to bring a Leadership Academy for Logistics to Franklin County starting in February and completing by mid-April. The 40+ hour intensive program will instruct 20 public school educators on the high priority occupation of logistics and the opportunity for logistic careers in our county. This is a no-cost program due to grant funding PCD received from the Teacher in the Workplace federal dollars available from the Workforce Innovation and Opportunities Act.

Through workshops, online and in-class discussions, readings and activities, participants will be provided with the tools to integrate their experiences into the classroom. For additional details, contact Ginny Harriger at 717-264-7101 ext. 205.

The Boys and Girls Club of Chambersburg and Shippensburg has relocated to 73 W. Burd Street, Shippensburg, and has also begun a 10-year anniversary celebration for 2020. Community members can help celebrate by pledging $20.10 (the year we started) each month for 1 year. Just $20.10 per month provides one child one month of a safe, after-school life-changing program, and no child is denied access due to inability to pay. Our goal is to raise $50,000 this year to support our after-school program, which provides for over 300 children in Franklin County. Donate at BGCCS.org.

U.S. CHAMBER OF COMMERCE UPDATE: U.S. MEXICO-CANADA AGREEMENT STATUS

Article from U.S. Chamber of Commerce Blog

The Trump administration and House Democrats recently reached agreement on a path forward for consideration of the U.S.-Mexico-Canada Agreement (USMCA).

The USMCA brings the North American Free Trade Agreement (NAFTA) into the 21st century with updated provisions for digital trade, financial services, and agriculture trade. It will preserve and modernize U.S. trade ties with Canada and Mexico, which are by far the largest U.S. export markets.

Trade with Canada and Mexico supports 12 million American jobs, and 49 U.S. states count Mexico or Canada as one of their top three merchandise export markets. Exports to Canada and Mexico support two million manufacturing jobs, according to the National Association of Manufacturers. Manufacturing supply chains knit all three countries together, making the region more competitive in the world economy.

North American trade is also critical to agriculture. Nearly one-third of U.S. agricultural exports go to Canada and Mexico. Unlike when NAFTA went into effect over two decades ago, digital trade and intellectual property are now key drivers of sustained economic growth. The USMCA creates best-in-class rules to foster growth in the digital economy. It also includes strong enforcement tools to guard against counterfeiting and piracy.

"The U.S. Chamber welcomes the news that the administration and House Democrats have reached agreement on a path forward for USMCA. We thank U.S. Trade Representative Robert Lighthizer, House Speaker Nancy Pelosi, House Ways and Means Chairman Richard Neal, and members of the House Democrats’ Working Group for their leadership and hard work. We are optimistic this development will open the door to final approval of USMCA on a bipartisan basis, which will benefit all Americans and especially farmers, manufacturers, and small businesses. We look forward to reviewing the details of the deal with our members and assessing their impact.” – U.S. Chamber CEO Tom Donohue.
